IIT Bombay

THEME:

This Faculty Development Program (FDP) will help educators stay up-to-date with the latest developments in e-Content and Massive Open Online Course (MOOCs) and enhance their ability to create effective digital learning materials and courses. It will enable them to reach a broader audience and engage with learners in new and innovative ways, ultimately improving the quality of education in the digital age.

OBJECTIVES:

- To equip educators with the knowledge and skills required to create effective and engaging e-Content and MOOCs for diverse learning environments.

- To explore the latest trends and best practices in e-Content and MOOC development to enhance the quality of online education.

- To foster a collaborative learning environment where educators can share their experiences, ideas, and resources related to E-content and MOOC development.

- To promote the integration of e-Content and MOOCs into formal education systems and workplace training, thereby contributing to the overall advancement of education.

- To empower participants with the knowledge and resources to adapt and evolve their teaching methods to meet the demands of the digital age and the changing landscape of education.
