Introduction

Community health centre is established to cover 1,20,000 population in the plains and 80,000 in tribal and hilly areas.

CHC is established in each community development block, each community has inpatient department, X-ray room, ultrasound room, labour room, OT and dental facilities. This work has a referral centre for four PHC. The community health centre provides secondary level of health care in rural area.

About the visit

In this visit Students visited the physical setup and collected informations regarding functions, family planning counsellor, staffing pattern, services and schemes provided by CHC, Raipur. The head of CHC is DR. Pratap Sing Rawatt (Chief medical officer).

The CHC consists of 30 bed which included emergency department for RTA cases, antenatal and postnatal cases, first aid and dressing.

Labour room sister in charge Mrs Aruna has given orientation to our students and she given information about the entire working of CHC. Then ante-natal counsellor Mrs Sunita explained about ante natal and post-natal facilities available in CHC, Adolescent girls support staff deliver information about various activities carried out in CHC for adolescent girls. Finally, MBBS interns students posted in emergency unit has given information about different cases attending CHC.

Conclusion

Overall, the community health centre visit provided valuable insight into the delivery of primary care services in the local community. While the centre has many strengths, such as its dedicated staff and commitment to providing affordable care, CHC plays a critical role in promoting the health and wellbeing of the local community and continued support for this vital institution is essential to ensure that all members of the community have access to high quality care services. At the end of the visit, students expressed their sincere gratitude to the faculty.
