Quest for Excellence

SGRRIM&HS COLLEGE OF NURSING ORIENTATION VISIT (2024)

- ❖ DATE /TIME: 23/SEPTEMBER/2024
- ❖ LOCATION: SHRI GURU RAM RAI (SGRR) UNIVERSITY CAMPUS, DEHRADUN
- ❖ BENEFICIARIES: NURSING STUDENTS

With the blessings of Chairperson Shri.Mahant Devendra Dass Ji Maharaj, Vice-Chancellor Dr. Prof. Yashbir Dewan Sir, Registrar Dr. Ajay Kumar Khanduri Sir and Under the guidance of Dr. Prof.G. RamaLakshmi Mam Dean/Principal of college of Nursing.

Purpose of Visit: The purpose of the visit was to provide an opportunity for nursing students from [Tamil Nadu] to explore the facilities, academic environment, and clinical training opportunities available at the Shri Guru Ram Rai University (SGRR) Campus.

Arrival and Welcome:

The students arrived at the SGRR nursing campus around 10:30am. They were warmly received by the nursing college Dean/Principal Dr. Prof.G. RamaLakshmi Mam along with faculty members from Nursing Department. An orientation session was conducted to give a brief introduction to the institution

The visiting students were given a comprehensive tour of the SGRR University campus, which included the following key areas:

- ❖ **Nursing Department and Classrooms:** The students were shown the state-of-the-art classrooms, equipped with modern teaching aids such as projectors, simulation labs, and well-furnished seating arrangements.
- ❖ **Simulation Labs:** A demonstration of the advanced simulation labs used for clinical skill development was given. Students were introduced to simulation mannequins and other training tools.
- ❖ **Library Facilities:** The students visited the university's central library, which houses a vast collection of medical and nursing textbooks, journals, e-resources, and a digital library section.
- ❖ **Clinical Training Centers:** The students were also taken to the affiliated hospitals and clinical training centers where SGRR nursing students receive hands-on practical training. They were impressed by the collaboration between the university and hospital in Dehradun for real-time clinical exposure.

Key Takeaways:

- ❖ The visiting students were impressed by the facilities and the quality of education offered at SGRR University.
- ❖ The hands-on experience provided insights into modern nursing practices and advanced medical training.
