2.1 General Introduction of the Event

The NEP Saarthi Quiz Competition is an engaging initiative to raise awareness and understanding of India's National Education Policy (NEP). This competition aims to inspire students, educators, and the broader community to explore the NEP's key principles and transformative aspects, fostering a culture of learning and curiosity.

The quiz is structured to test participants' knowledge of the policy's vision, emphasizing holistic and multidisciplinary education, skill development, inclusivity, and the promotion of regional languages. It encourages participants to deepen their comprehension of how the NEP aspires to shape the future of education in India, empowering learners with 21st-century skills and nurturing critical thinking.

Open to various age groups, the competition provides an interactive platform where participants can showcase their knowledge, enhance their understanding, and celebrate the spirit of educational reform.

“Quest for Excellence”

By participating, individuals contribute to a more informed and proactive educational ecosystem, playing an active role in the nation's progress.

The NEP Saarthi Quiz Competition is more than just a contest — it's a movement toward building a knowledgeable and empowered society. Join the competition to become a catalyst for change and a true Saarthi in India's educational journey.

A quiz competition is being scheduled for 25th Feb'2025 by the entire SGRRU. The event was organised to create awareness amongst students about the importance of the National Education Policy for a better future. The quiz competition started with a general discussion with some rules and regulations. Students were then encouraged to create innovative ideas and knowledge using their enthusiasm. Participants were divided into their 7 groups, and each group had 5 participants for smooth conduction of this quiz competition. Many students were also encouraging their colleagues. This quiz competition also allowed the students of all semesters to demonstrate their knowledge and to build up and remove the gap between their team building as well as their brain mindset.
