Visit to Dehradun International Science and Technology Festival

Students of BCA-1, BSc(IT)-1 , Btech -1 and BCA-3 with few students of NSS visited the Dehradun International Science and Technology Festival on 22 November 2024 at Uttarakhand Technical University, Dehradun. . The students were thrilled to see the Science and Technology exhibition. They also attended a workshop on STEM. Where they learned to create various electronic circuits. The students really enjoyed the creative and technical hands on experience. They also got certificates and complementary kits . The visit was very well coordinated by NSS students Niranjana and Vaibhav . . They were escorted by Mr. Harish Sharma, Associate Professor SET and MS. Minit Arora, Associate Professor , SET.
