

## CINEMATOGRAPHY COMPETITION

Cinematography, the art, and technology of motion-picture photography. It involves techniques such as the general composition of a scene; lighting or set location; choice of the camera; lenses; filters and film stock.

A cinematography competition was held on the 20<sup>th</sup> of October 2022, to let the students see life through the lens of a camera. The student's camera skills unequivocally did justice to their stupendous visuals.

The theme of the competition was.

**“COLLEGE LIFE or RANGOLI”.**

They used their instruments to explore, discover and feed their fervor of capturing emotions and putting them into visuals. The outcome of this contest was that many students emerged as brilliant cinematographers, their cinematography reflected their imagination and creativity.

The judges of the competition were Dr. Kamla Dhyani, Aarti Bhatt, and Asha Bala. The judgment was based on the students' video which showed their idea, creativity, editing skills, and song selection.
